**ARSHAWN TEYMOORIAN**  
PARTNER  
MCINTYRE & LEMON, PLLC

Arshawn Teymoorian specializes in advising financial institutions, insurance agencies, and insurance professionals on a broad range on insurance regulatory issues. Mr. Teymoorian's practice focuses on assisting clients with:

- Special rules governing bank-insurance sales under the Gramm-Leach-Bliley Act, including teller referral fee rules, anti-tying rules, rules governing disclosures for non-deposit products, and others.
  - Producer, third-party administrator, insurance consultant, managing general agent, and surplus lines broker licensing (both individual and entity licensing).
  - Various insurance compensation arrangements, including issues associated with commission sharing and compensation disclosures.
- State insurance unfair trade practices laws, including anti-rebating laws and laws that prohibit misleading insurance advertisements.

Mr. Teymoorian also advises bank and non-bank lenders on add-on credit insurance and other debt protection products and regulatory issues involving the Truth in Lending Act (TILA), the Real Estate Settlement Procedures Act (RESPA), and prohibitions on unfair, deceptive, or abusive acts or practices (UDAAP).
