

GINA GUZMAN, MD, DBIM, FAAIM, FALU, FLMI
VICE PRESIDENT AND CHIEF MEDICAL DIRECTOR
MUNICH RE

Dr. Guzman is Vice President and Chief Medical Director at Munich Re US (Life) with almost 25 years of Insurance Medicine experience. She manages Munich Re's medical team with oversight responsibilities for the medical content updates to EDGE, the online underwriting manual, and the company's mortality research on impairments. A Chicago native, she graduated from the University of Illinois at Chicago and Rush Medical College, with residency training at Rush-Presbyterian-St. Luke's Hospital in Chicago. She is board certified in Internal Medicine and Insurance Medicine. Dr. Guzman was the 2013 president of the American Academy of Insurance Medicine (AAIM), the 2020 Chair of the ACLI Medical Section, and served twice as President of the Midwestern Medical Directors Association (2007 and 2016). She loves to teach and remains an in-demand presenter at local, regional and national underwriting and medical meetings. She currently resides in Northern Florida with her husband Eric of 25 years and her 3-year-old mini-golden doodle, Finn. Fun fact: she recently learned how to crochet and has amassed a collection of cute animals and Star Wars characters.
