

# PEGGY BRINKMAN

PRINCIPAL & CONSULTING ACTUARY  
MILLIMAN

---

Peggy Brinkmann is a principal and consulting actuary with the Property and Casualty Practice in Milliman's San Francisco office. She joined the firm in 2012. Peggy specializes in applying emerging technologies and advanced analytics to develop innovative insurance products for both traditional and start-up insurers. Peggy has published articles and given presentations on imputing race/ethnicity, big data, predictive modeling, wildfire risk, and usage-based insurance.
