

BRIAN CASEY
PARTNER
TROUTMAN PEPPER LOCKE

With a focus on corporate transactions, mergers and acquisitions, and regulatory compliance, Brian serves a diverse clientele in the insurance, financial services, and health care industries. His clients include insurance companies, insurance holding companies, managing general agents, insurance agencies, third-party administrators, banks, financial institutions, investment banks, and reinsurance companies.

Brian manages regulatory challenges while fostering innovation. His proactive approach helps clients stay ahead of regulatory changes, leveraging opportunities in areas such as digital insurance, blockchain/distributed ledger technology, and artificial intelligence in insurance.
